Putting Our Faith Into Action

METROKIDS SOCCER

One of the major goals and accomplishments of the Social Services Board is the sponsoring of a Soccer Team. The Soccer Team is actually three teams: two boys' teams and one girls' team ranging in age from 14 to 16 years old. They play outdoors in the summer time, June to October, in Flushing Corona Meadows Park and in the winter time they play indoors from November to March.

Most of the kids are beginners and from underprivileged homes. They develop their soccer skills while also developing discipline by practicing two times a week after school. Another after school day is devoted to leadership development and educational activities.

On Saturdays, they participate in the METROKIDS league. The 2 boys' teams play in the morning and are known as the "Queens Soccer Foundation" Sub 15 and Sub 17 (but we are in the process of creating a new team name). The girls' team, known as "Juventus," plays in the afternoon.

Henry Bunch, the coach and Social Service Board member, tells us that his mission is to keep the teenagers off the streets while teaching them leadership, values, and good sportsmanship. The majority of the children are from different Latino countries, who also participate in the Annual World Peace Games, which take place in September every year. Henry Bunch is also President of METROKIDS league, in which over 2,500 children participate (www.metrokids.com; 1-646-296-3370).
